

# Troop 96 Shooting Day

Pickaway County Sportsmen's Club  
8100 US 22 East  
Circleville, OH 43113

Meet at Covenant Presbyterian Church  
Sunday November 15<sup>th</sup> – 11AM

Please note that everyone, adult and youth, needs to have a signed liability release (see attachment) to be on club grounds.

Troop 96 will have a Rifle Shooting Day at the PCSI Range. The troop has a range exclusively reserved. Shooting will be approximately 12 to 2. In exchange for use of the facility, the scouts will need to do some service work. This may include cleaning up the grounds or other projects.

Carpooling is suggested and drivers may be necessary. It is about a 45 minute drive from Columbus.

We will be shooting up to 100 yards. There will be various targets: swinging targets, dueling tree, hanging clay targets, a cowbell, target games, marksmanship targets, and more. Adults are welcome and will have a chance to shoot (and compete).

Rifles, ammo, shooting glasses, ear plugs, and targets will be provided.

What scouts should bring:

Positive attitude

\$15 (ammo, glasses, targets, etc) Any overages will be returned to scouts

Appropriate dress for the weather

(layers, Columbus, especially in your front yard, is warmer than the "country")

Camp chair, if you own one. We'll shoot in multiple flights

Boots or sturdy footwear (we may have to clean up and there is a lot of gravel)

Work gloves, again for service work

Shooting ear muffs or shooting glasses, if you already have them

Snacks
