Fellow Scouters,

I am full of “Enthusiasm” for this upcoming year. I started planning for the summer during the previous summer. I am excited to tell you that we have a wonderful program and a phenomenal staff. Our theme for this summer is “Myths and Legends.” From Big Foot to Paul Bunyan. The possibilities are limitless. We will be having a “hunt” for all the Legends hidden around camp.

Our Black Pug system has made Merit Badge Sign ups and paperwork easier than ever before. Our goal is to give all of you the best experience possible, and believe me, if you stop anticipating and start participating you will make memories that will last forever. Feel free to contact me with any questions. God Bless and see you at Camp!

SUNDAY ARRIVAL AT CAMP

Check-in will begin at 2:00 p.m. Sunday in the parking lot. No one will be checked in before this time. Please do not arrive any later than 4:00 p.m. so we have time to go through all of the necessary orientation items.

As you arrive in the Parking Lot, the Unit Leader and SPL need to check-in at the Welcome Center. **Any fees due will be settled at time of check-in with the Business Manager.**

You will be assigned a USA (Unit Staff Adviser) who will be helping you with the check-in procedure. This staff member will take the Scouts to your campsite to unload gear first.

If weather permits, you will be allowed to drive to your campsite to unload gear (only one vehicle at a time will be permitted in camp). After unloading, please take your vehicle back to the parking lot.

Scouts must have swim gear handy, as well as medical forms with medications and instructions. During check-in at the Welcome Center, any medications and medical questions will be handled by the First Aid Officer.

Attention: A new signed BSA health form is due each year (remember: school physicals are no longer valid) and EVERYONE staying overnight at camp MUST have a health form. For more detail on medical policies, please see "the Camp and Medical Policies" section in this booklet.

Following medical re-checks, swim checks will be done at the pool, and meal procedures covered at the Dining Hall.

After this, you will have time to arrange your campsite. Your USA will remain with you for any help you may need and will fill out a check-in sheet for site equipment. Fireguard charts and emergency procedures will be reviewed at the SPL meeting Sunday evening.

Supper is at 6:30 pm. Your USA will escort you to the Dining Hall. Please wear your uniform.

PROGRAM AREAS

In the following pages, you will find exciting ideas for things you can do at MVSR this summer. It has information you need for merit badges, fun program opportunities and adventures.

Use these guidelines to plan and prepare each member of the troop for their week at camp.

Merit badge sign up will be handled online prior to camp as well as at camp. We strongly advise that leaders sign their scouts up for Merit Badges prior to camp so that we may allocate staff resources as needed. Just be sure that the Scout meets the prerequisites for said badge.

An overview of all the requirements earned will be handed out Saturday morning at breakfast to check what has been earned or missing.

We will not add, or take away requirements from any badge or program; except as allowed by the *Guide to Advancement*.

We reserve the right to change merit badge or activity schedules according to our staff, equipment availability and/or Scout interest.

The pre-requisite lists are a guideline for Scouts wishing to start on badges at home. Most badges can be started and earned during camp, but more can be accomplished if certain requirements are already completed. Pre-requisites change yearly as badge requirements change yearly, please check carefully.

Make sure any money or equipment necessary for a badge or activity is available and provided.

Many Eagle-required merit badges are offered twice daily to help everyone fit them into their schedule. Make sure your Scouts have looked at the requirements before coming to camp so they are prepared for the assignments. Many things can be accomplished before camp, therefore allowing more "free" time for enjoying the facilities of our camp.

Get the most out of camp, come prepared!

Water Activities

Awards are given for 1st, 2nd and 3rd place in our "MVSR Lake Games" competition on Tuesday evening. This is a troop/patrol competition at the lake which involves all members of the troop, including leaders.

Troop Inter-Camp Activities

There are tons of activities from Ga-Ga to our "Camp Directors Minute to Win it" that are all over the camp. Anyone can join, Plus this year we are hunting down all those missing "Legends" hidden around camp.

Site Competition

Be creative and decorate your campsite to fit the theme. Please no holes in the ground – be creative and safe. Impartial judges will be judging each site Thursday evening or on Friday morning.

Clean Sweep

Awarded to the troop that keeps the cleanest campsite for the week; the Commissioners and those helping to do campsite inspections will judge after F.O.B. in afternoons.

Largest Fish of the Week Award

Awards will be given to the Scout (and an adult) who catches the largest fish each week. You must bring the fish to the Welcome Center or to Eco-Con to be "officially" measured and recorded. It must be a live fish - in water in a container! You will be told where to release it.

Best Rifle & Archery Targets of the Week Award

Awards will be given to the Scout and adult who shoot the best targets for each week. Rifle/Archery Range Officer will be the judge for this. You must hand in your target for scoring.

Scoutmaster Events

There are many opportunities for leaders to enjoy time together or joining in activities such as swimming, boating, shooting, horseshoe pitching, and euchre. Why not take advantage of the training we have available such as Leave No Trace, Climb on Safely and Safe Swim Defense. There will be "Spoon Safety" training offered so you can do all the training in one sitting. There will be a Scoutmaster's Competition as well.

Campfires

Sunday night's opening campfire is put on for you by our staff and gives you a chance to meet everyone. Wednesday evening is the unit's turn to entertain their parents and guests. The final campfire on Friday takes a slower pace to finish the week and includes our Woodlands Awards.

Hikes

On Monday evening the opportunity to earn our perimeter trail patch will be offered after retreat on a trek around the perimeter of our camp property.

"Pig-Out"

After the hike, everyone gets hungry, so why not join the camp for food and fellowship at the Dining Hall.

Big Idea

We ask Scout Leaders to Share a "thought for the day" with the rest of camp after breakfast.

Provisional Scouts

Some scouts are unable to come to camp when their own unit comes, or maybe a Scout wants to come back a second week. We have made provisions for any Scout wanting to do this, to become a member of another troop for the week. They can fit into a patrol, participate in all activities, and have fun! Same camp fees apply. Scouts wishing to return for a second week at camp will receive a discount of \$100.00

C.I.T.'s (Counselor in Training)

We are excited about our program for CIT's (Counselor in Training). This is a program for training scouts who would like to see what being a summer camp staff member is like. They will be trained in leadership, teaching, communication skills, and troop development.

Scouts must be at least 14 years old and have attained 1st Class rank or equivalent. A letter of recommendation from the Scout Leader is required. Every troop or crew should plan to send at least one member to attend this program. Each CIT will be able to earn 2 merit badges and given a certificate and hat. There is no fee for the 1st scout from a unit, each additional scout is \$60.

The only week a scout cannot participate in the CIT program is the week that their own Troop or Crew comes to camp. Questions may be answered by calling or texting Dominic Lehman, Camp Director. His number is 937-417-7959.

S.P.L.'s

The job of an SPL is very important in camp and we want them to be prepared so their troop can get the most out of camp. A meeting will be held every morning after breakfast and a special SPL packet will be waiting for you when you arrive at camp on Sunday afternoon during registration. Make sure you are familiar with the program and what you want to get out of Camp so you can help your troop get a jump start!

FAMILY NIGHT AND ORDER OF THE ARROW

Wednesday evening is family night at MVSR. Scout families are welcome in camp if it is in your troop's program. Guest meals (Thanksgiving Dinner) are \$5.00 and are to be paid for as a part of the check-in procedure by the troop. This will give us some idea of how many you are planning to have visit on Wednesday night. Families can also bring a picnic and use one of our camp shelters.

The evening activities include Trading Post time, Order of the Arrow call outs (out of council units must have a letter from their home Lodge to authorize the call out) and the campfire program put on by the campers.

CAMP FACILITIES

Central Lodge (Dining Hall)

As the home of all of our meals and many of our camp songs, games & skits, the Central Lodge is always one of the focal points in our camp program. We use cafeteria style serving and serve seconds at nearly every meal, plus we feature a salad bar and breakfast bar. Our varied menu has been popular for many years. We require troops to provide "waiters" after each meal to help clean up. This will be discussed at the orientation on Sunday afternoon. If you have special dietary needs in your troop, please turn in a food allergy and dietary restrictions form at least two weeks prior to arriving at camp. This form can be found in the forms section of the camp leaders guide. Also, see the cook on Sunday before supper so that special arrangements can be made.

Trading Post

We will stock the Trading Post to meet the needs of Scouts, leaders, family & guests. We will have individual Scout items, handicrafts, camp T-shirts, pop, ice-cream and candy, collectibles, books, uniforms, troop equipment, leader's books and supplies, patches, insect repellent, ice, fishing bait, Indian crafts, rope, ponchos and mosquito netting. Regular Trading Post times are posted at camp. Please be aware of your trash and use proper disposal/recycling.

Troop accounts can only be opened and used by leaders. The Trading Post manager can help you with this. Accounts must be paid before leaving on Saturday.

Chapel

A non-denominational service will be held at our chapel during the week. This is short and reflective and a great way to fulfill the 12th Point of the Scout Law; a scout is reverent. Those wishing to participate need to see the Camp Director during check-in. We ask every Scoutmaster to make this a part of your Troop's plan for Summer Camp.

EMERGENCY PROCEDURES

Emergency Activation Drill

Note: National BSA standards require one drill be conducted within the first 24 hours of camp each week. This is to be treated in a serious manner so procedures can be understood and followed in the event of a real emergency. We have used these procedures in real emergencies in the past and they work, provided we have the co-operation of troops. Please help us to show our Scouts by setting the needed example.

GENERAL PROCEDURES

- When the alarm sounds, all staff are to report to the camp Director, all troop members (scouts and leaders) are to report to their campsites.
- A staff runner will be sent to each campsite to give the troop leader instructions and information.
- While awaiting the runner, leaders and SPL's are to take attendance and account for each scout in their troop. No scout or leader is to leave the campsite until instructed by a staff member.
- Aquatics staff will clear pool and lake - checkout by buddy board system.

FIRE EMERGENCY PLAN

- All fires are to be reported to the Welcome Center where the alarm will be sounded.
- Troops and staff are to follow the general procedures for emergencies (see above).
- Camp Director will take charge by sending staff runners to sites with instructions for troops; sending staff to fire site; contact outside help if necessary.
- When a fire is in a campsite, use the following instructions:
 - Use campsite fire equipment.
 - Drop any burning tents.
 - Send runner to the Welcome Center to report fire. Fires discovered in other areas of camp need to be reported immediately to the Welcome Center. You should tell location, time and situation.

SEVERE WEATHER

In the event of severe weather, a general alarm will sound. Follow the general procedure: a staff runner is sent to sites with directions. Storm shelters are the Central Lodge for severe thunderstorms and for a tornado, go to a ditch or low-lying area.

OTHER WEATHER CONDITIONS

Announcements of impending weather such as heat, humidity, storms etc. will be made at meals if possible. If not, the P.A. system will be used or runners sent to leaders with instructions. The aquatics and field sports areas will be cleared and closed for 20 minutes after storms have passed.

Earthquakes: If in the open, find an area away from falling debris or overhead wires. If in a building, find a corner away from windows or doors, and cover your head and neck. or hide under heavy furniture like a table, and hold on to it. Be alert for aftershocks following the initial quake. Remain until the all-clear signal is given.

LOST CAMPER

- Report any suspected lost person to the Welcome Center.
- Camp Director will start a search of the main areas of camp and the campsites before a general alarm is given.
- If said person is not located, general emergency procedures will be implemented.
- Staff runners will check campsites and report back to the Welcome Center. Troops are to remain in sites until further instructions are received from a staff runner or the all clear sign is given.
- Camp Director will determine if and when outside authorities are to be contacted and utilized.

CHILD ABUSE

- Any suspicion of abuse to a child should be reported immediately to the Camp Director in a discreet manner.
- The Camp Director will investigate the claim and make a report to Council Executive who will comply with our council's policy.

Rules Governing the Use of UTV's and Golf Carts

In response to the concerns of many campers and Scout leaders, the following rules dictate the use of Utility Vehicles and golf carts in camp. No ATV's will be allowed on the property at any time.

1. UTV's and Golf Carts are only allowed for persons presenting a valid, State of Ohio Disability Placard or members of the Camp Staff (with the approval of the Scout Executive).
2. Persons with a valid handicap sticker must submit their request to use a UTV or Golf Cart no later than May 15th of each year. Request forms are available on the council website: www.muskingumvalleycouncil.org
3. All requests will be reviewed and approved by the Council Camping Committee prior to the start of camp. Applicants will be notified of the committee's decision by email.
4. The Muskingum Valley Council does not provide UTV's or Golf Carts. Any person approved to use a UTV or Golf Cart at MVSR must provide their own. Persons bringing a UTV or Golf Cart to camp are responsible for their own fuel, maintenance, and safety.
5. No UTV or Golf Cart will be allowed to operate on the property without an MVSR permit visibly displayed.
6. All UTV's and Golf Carts are subject to mechanical inspection by the camp ranger at any time. At any time, the ranger determines a UTV or Golf Cart is unsafe, the MVSR permit will be revoked.
7. We allow UTV's and Golf Carts to accommodate scouts & leaders who might otherwise be unable to attend camp. Their use is restricted to the person with the Disability placard and one adult passenger.
8. At no time is any youth (under 18 years of age) permitted to operate a UTV or Golf Cart.
9. No youth is authorized to ride in a UTV or Golf Cart unless they are the holder of the Disability placard.

12. UTV's and Golf Carts are restricted to the black ash roads, and/or gravel roads. (See attached map for authorized roads. Authorized roads are marked as heavy black lines not including those around the lakes.)
13. Under no circumstances is a UTV or Golf Cart to enter a campsite. UTV's and Golf Carts are to be parked within 10 feet of the ash and/or gravel road. Persons unable to walk from road to tent should contact the Council Service Center prior to camp to make special arrangements.

(Authorized camp staff may enter campsites as required in the course of camp business.)
14. All persons are expected to drive with due caution, never exceeding 10 miles per hour.

Operating a UTV or Golf Cart at MVSR is a privilege afforded to those persons with a physical disability. Any operation of a UTV or Golf Cart in violation of these rules will result in revocation of the privilege.

These rules were reviewed and approved by the Council Program and Properties committees, and the MVSR Summer Camp management.

Mobile Phone Policy

Today's youth are spending more time than ever using digital media for education, research, socializing, and fun. To help families and volunteers keep youth safe while online, we have adopted the following mobile phone policy governing their use by youth in camp.

Youth may bring mobile phones to camp provided they have completed the Cyber Chip training for their age level. Information on the Cyber Chip program may be found at:

www.scouting.org/Training/YouthProtection/CyberChip.aspx

Additionally, Cyber chip training will be offered at camp.

Use of mobile/smart phones should be monitored by unit leaders and at no time are photographs to be taken at or near restrooms, showers, or inside tents. Youth operating a mobile/smart phone in violation of their Cyber Chip training will have the phone confiscated for the remainder of the week.

The security of the phone is the sole responsibility of the owner. Lost, damaged or stolen phones are not the responsibility of the camp.

GETTING READY

No, it's not time to start packing your backpack. But it is time to start planning for your trip to the Muskingum Valley Scout Reservation. One of the things that we want to do now is make sure that every Scout in the troop has a long-term outdoor experience. We all know that only happens in troops who plan for it.

What are the steps that you can take? Start a troop savings plan so Scouts can pay for it a little at a time. Have the Order of the Arrow in to talk about camp with the Scouts in your troop. Have a parent's night to share your plans for next summer now, before they start making their vacation plans. Scouting happens one Scout at a time.

Deliver the promise - get every Scout to camp at MVSR.
